JOIN US TO LEARN ABOUT APPRENTICESHIP PROGRAMS ON 11/19/2021

Please join us for our 6th Annual Apprenticeship Open House event on **Friday, November 19, 2021** at the Plumbers and Pipefitters Apprenticeship Training Center in Oklahoma City. As part of **National Apprenticeship Week**, this event will feature a presentation about many of the Oklahoma Building and Construction Trades successful Registered Apprenticeship Programs, as well as a facility tour of the UA 344 Training Center. The event is free and open to the public, education, and business community.

The benefits are substantial - companies that offer Registered Apprenticeship Programs can diversify their workforce, improve productivity and profitability, standardize training, reduce turnover, receive tax credits and more. For apprentices, the average starting hourly wage is \$17.65 per hour with benefits at no additional cost to the apprentice.

Check out our Apprenticeship programs at www.OKBCTC.org and learn about great opportunities here in Oklahoma.
